RE: Planter's Warehouse  
1003 Pireway Rd.  
Tabor City, Columbus County  
NONCD0002819

Dear Mr. Burroughs:

As you know, the Inactive Hazardous Sites Branch (the "Branch") issued a "No Further Action" for the Planter's Warehouse site on October 7, 2013. This letter is to notify you that since this change only recently occurred, the Site will still be listed on the Sites Priority List ("SPL") included in the Branch's FY 2012-2013 Annual Report to the NC General Assembly as that report reflects program status at the end of the state fiscal year last June. The Site will not appear on future editions of the SPL. If you have any questions, please contact me at (919) 707-8356.

Sincerely,

John W. Walch  
Eastern Unit Supervisor
